Beaded Bottle

Supplies

- Glass Bottle
- Beads
- Wire
- Wire Cutter
- Round Needle Nose Pliers

Directions

1. Cut the desired length of wire with the wire cutters.
2. Add beads of your choices as you create a free form design with the wire (using round needle nose pliers) as you wrap it around the bottle.

Be sure to secure each of the wire to hold the beads onto the wire by creating a loop or wrapping the end to another part of the wire.

The decorated bottles are great for home decor or wedding and reception table decorations. Add a flower or two to brighten up a table or kitchen.

You could also add a bottle stopper and hang the bottle (upside down) outside to create a fancy hummingbird feeder.
