## Memory Wire Bracelet

*designed by Rita Fleehart*

Make this bracelet for a friend, an aunt, or keep it for yourself.

Visit our Bead Department and have our team of experts help you find all the supplies you need to start your first bracelet!

Memory Wire

Round-nose pliers

Beads available in our Bead Department.

1. Memory wire is a special wire that keeps its original shape. Cut the memory wire to fit around wrist or neck plus 1". Use caution when cutting with wire cutters.
2. Make a small loop in one end of wire with round-nose pliers.
3. Thread beads on wire. Make a loop in the end of wire with round-nose pliers to secure beads.
