Button Wreath

Supplies

- 10-14 Buttons
- 10" Paper Wrapped Wire
- Fabric Strips for Bow

Directions

1. Begin by selecting buttons and the order you would like to string them.
2. Fold wire in half and take your first button starting in the back and weaving through the front and back down. Your first button should start at the fold in the wire (center point). Working one side at a time.
3. Add 4-5 more buttons leaving a 2" tail of wire.
4. Begin stringing on the other side leaving a 2" tail.
5. Twist tie the two ends to create a hanger.
6. Add fabric ribbon tie to the top
