Button Wreath Wall Art

Supplies

- Canvas
- Buttons
- Printed Scrapbooking Paper
- Acrylic Paint
- Ribbon
- 527 Multi-Purpose Glue
- Foam Brush

Directions

Be sure to color coordinate your materials when selecting the buttons, paint, ribbon, and paper for this project.

1. Using the foam brush, paint the canvas with an acrylic paint in the color of your choice.
2. Set aside and let dry.
3. Trim the paper by cutting it into a square to fit the size of the canvas.
4. Then, cut out a square from the paper to create a border.
5. Once the paint on the canvas is dry, glue the paper to it.
6. Begin gluing the buttons onto the canvas.

If you need a guide to lay the buttons down, use a pencil to lightly sketch a circle.

7. Use ribbon to make a bow and glue it to the top part of the button wreath.
