## Candle Ornaments

### Supplies

- (20-22) White Tri Beads
- (1) Yellow Round Bead 6-8mm
- Bottle Cap
- Metallic Paint
- Craft Wire 7'
- Strip of paper 1/2' x 2.5"
- (1) Brad and Punch
- E 6000 Glue

### Directions

1. Begin by making a loop on one end of the wire. String yellow bead followed by white beads coil end snugly against last bead.
2. Paint the bottle cap with metallic paint and allow to dry. Do the same with the paper strip
3. Punch a whole near the edge of the rim of the bottle cap. Bend paper slightly and punch a hole through both ends of the paper. Place one side on top of the bottle cap and the other underneath. Align the holes and placing a brad through the top and securing on the bottom.
4. Secure the candle with a dab of E6000. Hold for a minute or two to secure.
5. Add hanger to loop on top of candle wick.
