## FREE Project Idea

### Candy/Pastry Displays

#### Supplies

- 1 Small Glass Plate
- 1 Small Glass Bowl
- 2 Glass Candlesticks
- E-6000

#### Directions

E-6000 is a strong adhesive so be sure you are in a well ventilated area before starting.

Hand wash the bowl and plate before starting so that it is ready to use when finished.

1. Apply E-6000 to the bottom of the small glass plate or small glass bowl to adhere it to the top of the candlestick.
2. Set aside to let it dry completely before using.

Feel free to embellish the candlestick to give it color by using alcohol ink, paper, glitter, beads or any other decoration you desire.

You can also decorate the underside of the plate or the outside of the bowl using paint, gold leaf, paper, and more.
