Canvas Memo Center

Supply List:

- 8 canvases of varying sizes
- Various Fabric prints to cover each canvas
- 12x12 Tiles:
 - Galvanized Tin
 - Cork Board
 - Dry Erase Board
 - Chalkboard
 - Acrylic Calendar Blank
- Quick Grip Glue
- Mod Podge
- Large Flat Marbles
- Vinyl Month Names
- Magnets
- Thumb-Tacks
- Patterned Paper
- Large Flower Punch
- Large Circle Punch
- Hardware
- Bistro Markers
- Embellishments: Ribbon, Buttons, Vinyl, etc.

Directions:

Layout your canvases and keep in mind you may want some tin and cork tiles under the fabric and some on top of the fabric.

Cut your 12"x12" tiles to fit the sizes of your canvases.

Glue down galvanized tin or cork to the canvases you want magnetized or to use as a corkboard but want to be covered with fabric.

Cover your canvases with fabric using Quick Grip glue to adhere the edges of the fabric to the back of the canvas. Glue down the rest of your tiles that you want to be on top of the fabric.

Use the hardware to screw together all your canvases. Punch out or cut out shapes from your corkboard. Glue down your tiles and corkboard shapes using Quick Grip glue.

Magnets:

Cut out circles the same size as your flat marbles.

Apply the vinyl month names to the front of the patterned paper.

Glue the circle to the back of the marble with Mod Podge (the Mod Podge does dry clear).

After the Mod Podge is dry, glue a magnet onto the back using Quick Grip glue.

Embellishing:

Glue button or marbles onto your thumb-tacks.

Have fun personalizing your organizational board with photos, ribbon, buttons, vinyl, etc. Enjoy!
