## Personalized Chalk Board

### Materials Needed:

Chalkboard Spray  
Foam core to fit your frame or calendar frame  
Double-sided tape  
Print of your choice

### INSTRUCTIONS:

1. Spray your foam core with chalkboard spray according to the directions on the can.
2. Attach your print using double-sided tape. You may choose to deckle the edges of your print with specialty scissors.
3. Once dry, put your chalkboard into your frame. Remember to remove the glass from your frame.
