## Stemware Décor

*Make beautiful stemware enhancers in minutes!*

These attractive beaded hoops will add a decorative touch to your next dinner party, while allowing your guests to identify their own glass.

### Materials Needed:

Crystal beads in sizes and colors of your choice  
Seed beads in silver and gold  
Silver charm  
Silver wire loops with closure  
Crystal stemware

### INSTRUCTIONS:

Slide beads onto hoop. When half of the hoop is filled with beads, slide on charm. Slide second half of beads onto hoop, leaving a quarter inch of the hoop exposed. Bend exposed part of hoop into a right angle. Attach hoop to stemware by pushing this piece of the hoop through.
