

# Create Your Own Season!

## FREE Project Idea

### Countdown to Christmas Block Set

#### Supplies

- Unfinished Wooden Blocks
- Patterned Scrapbooking Paper
- Vinyl Numbers and Words
- Distress Ink Pad in Vintage Photo
- Mod Podge
- Foam Brush
- Scissors

#### Directions

1. Measure and cut paper slightly smaller than the actual size of the space you will be gluing it to let the wood show through as a thin border.
2. Adhere the paper to the each side of every block using Mod Podge.
3. Set aside to let dry.
4. Once dry, apply ink with a stamp pad by rubbing it into the exposed areas of the wood to give it that distressed look. It is okay if the ink gets on the paper as it will create a nice vignette.
5. Let the ink dry and then adhere the vinyl numbers 0, 1, 3, 4, 2, 5 to the first block and 2, 7, 1, 0, 8, 9 to the second block.
6. Add the vinyl words to the longest block that the two number blocks will be sitting on.
7. Apply a thin coat of Mod Podge to all sides of the blocks.
8. Let the blocks dry completely before displaying.
