Daisy Table Setting

Napkin Ring

MATERIALS:

Large Gerbera Daisy Stem or Bush
Green Floral Tape
Green Floral Wire
Wire Cutters

INSTRUCTIONS:

1. Cut stem to a 6" length.
2. Shape the stem into a circle, overlapping the end of the stem about 1" at the base of the flower. Wrap floral wire around the overlapped area several times to secure.
3. Wrap floral tape around the wire. This will cover the wire and make the joint more secure.

Votive Cup

MATERIALS:

Glass votive cups
Gerbera daisy bush
Craft glue lines
Extra-strength craft glue dots
Hot glue gun

INSTRUCTIONS:

1. Pop the flower head off of the stem.
2. Pull center out of flower and use the 3 layers of large petals.
3. Use hot glue to fix the 3 layers of petals to each other.
4. Use extra-strength craft glue dots to attach the flat flower to the bottom of the votive cup.
5. Put craft glue lines along the bottom 1/4" of the votive cup. Pull top layer of petals up around the base of the votive cup.
