## Dog Pin

### Materials Needed:

- 1 ½" x 2 ¼" Beige Foamie
- 2" x 2" Dark Brown Foamie
- 1" x 2 ¼" White Foamie
- ½" x ½" Black Foamie
- 1" x 1" Red Foamie
- 2 - 7mm Moving Eyes
- Black fine Tip Marker
- Pin Back
- Low Temp Glue Gun & Glue Sticks

### INSTRUCTIONS:

Trace and cut out pieces from foamies according to the [patterns](#).

1. Position the ears behind the top of the dog's head and glue in place. Place the eyes and nose on the dog's face and glue in place. Use the marker to draw in a mouth.

2. Place the red collar on the neck below the face and glue in place. Using the marker, write "2006" on the dog bone. Glue the dog bone below the collar. Glue the pin back behind the dog's head.
