Make a Fall Theme Pot

Welcome the Fall season with this delightful and easy-to-make Fall Theme Pot. It makes an ideal centerpiece for your kitchen or dining room table. Fill it with nuts and candies!

Here's a Shopping List for What You'll Need:

Terracotta Pot with Saucer
(to use as a lid)

Craft Cork to use as a "stem"

Acrylic Paints and Brushes to paint the pot

Fall Silk Leaves snipped from a silk leave garland

Brown Chenille Pipe Cleaners to use for the "vines"

Hi-Temp Glue Gun and Glue Sticks

It's Easy to Do as 1-2-3

- 1. Paint the Pot, Lid, and Stem:** Use acrylic paint to paint pumpkin-style stripes on the side of the pot. Paint the cork a green or brown color to make it look like a stem. Let dry.
- 2. Select/Arrange/Attach:** Select and remove fall silk leaves from a garland. Wrap a brown chenille pipe cleaner around your finger to create a springy "vine". Use hi-temp glue gun to attach stem and foliage.
- 3. Enjoy as Fall Theme Pot/Centerpiece:** Use as a Fall Theme centerpiece on your kitchen or dining room table. Fill with walnuts, almonds, and hazelnuts or fall theme candies like candycorn or mini-pumpkins.
