Family Tree

Supplies

Family Tree Wall Art
Mini Magnetic Frames
Unfinished MDF Plaque
Patterned Paper
Vinyl Family Saying
Scrapbook Adhesive
Magnets (2 pcs)
Paper Punches (the same size as your magnetic frames)
Your Favorite Family Photos

Directions

1. Punch out all your photos to fit the back of the magnetic frames.
2. Use the scrapbook adhesive to glue the edges of the photos to the back of the frames. Tip: you may have to cut out notches in the edges of your pictures to expose the magnets.
3. Cut your paper to the size of your unfinished wood plaque and glue it onto the plaque. Apply the vinyl saying to the front of the plaque. Glue the magnets to the back.
4. Hang your tree wall art and place your frames and plaque. You may have to search around a little to find branches where the magnets will attract and hold.
5. Enjoy!
