Glass Block Photo Transparency Light

Supply List:

Window Cling photo copy sized to fit your block
Glass Block (small or large)

a. Monroe Store: Available from our Copy Center, just bring in your photo.

b. Bonney Lake Store: Avery Printable Transparency Sheets
White Craft Lights

Optional: Ribbon (long enough to tie around your block)
Optional: Silk flowers or other embellishments

Tools:

Scissors or X-Acto knife

Instructions:

- 1) Monroe store: Bring your photo to our Copy Center and have it enlarged to fit your block, and printed onto Window Cling paper. Bonney Lake store: follow the instructions on the package of Avery Transparency paper to print your photo.
- 2) Trim your photo copy to fit the front of your block.
- 3) Carefully peel the backing off your window cling and press the sheet onto the glass block, making sure the opening of the block is facing down.
- 4) Place lights into block.
- 5) Wrap bow around block.
- 6) Embellish with flowers and other materials, such as stickers and vinyl sayings.
