## Halloween Cone Projects

### Supplies

Undecorated Kraft Cones  
Halloween Paper  
Mod Podge  
Black Paint  
Foam Brush  
Ribbon  
Martha Stewart Scoring Board  
Terra Cotta Pots for Trees  
Dowels  
Candy Corn  
E6000 Glue

### Directions

Cover the cone with paper and cut to fit the cone. Use Mod Podge to cover the cone with the paper. Use the Mod Podge as glue and as a sealer. Smooth the paper down with your fingers before it dries if it starts to wrinkle. Decorate your cones with ribbon. Paint the dowels and pots black. Let dry. Glue the dowel to the inside of the cone at the point and glue to the other end of the dowel to the bottom of the pot for stability. Fill the pots with candy corn. Tie ribbon around the pots. Use the scoring board to create paper rosettes. Enjoy!
