## Heritage Calendar

Create a keepsake your family will treasure!  
Share your family's legacy by using past or present photos to personalize a calendar.

This is a heart-warming and practical gift that will be appreciated for years to come.

### Here's a Shopping List for What You'll Need:

			
Blank Calendar	Photos of your choice	Paper of your choice	Scissors
			
Frames	Color Glue Stick	Photo Corners	Photo Sticker Squares

### Here's what you need to do:

1. Purchase a blank calendar. Gather your supplies: scissors, accents (stickers/frames), glue, paper, photo corners.
2. Choose the photos you would like to use. Have our Color Copier Expert make you a copy of your selected

photos. This is a great way to share family photos with children and grandchildren without harming the originals.

**3.** Layout your page, matting or framing your photos and adhere to the calendar.

Note: Instead of making multiple calendars, this too can be color copied by our Color Copier Expert and bound for your convenience.
