Knifty Knitter Poncho with Rolled Collar

Materials Needed:

Knifty Knitter extra large loom (yellow)
Hook
Yarn needle

Crochet hook size 1
4 skeins of Lion Brand Wool-Ease thick and quick large (if you want your poncho longer, add 2 stitches per 1" of extra length you want)

INSTRUCTIONS

Skill level: Beginner

1. Cast on, or wrap, 42 pegs on the yellow loom.
2. Knit 2 panels that are 33" long (they will be 20" wide). This is equivalent to about 110 rows in each panel.
3. Sew panels together as shown in diagram. Leave about 22 loops on each side of both panels for the neck. Slip the knitting through the center of the yellow loom, and slip the stitches on the pegs to the yellow loom. Knit 9 rows.
4. Using a crochet hook, do a single crochet around the outside edge and around the neck piece.

This is a very warm poncho and fun to wear!
