## Knifty Knitter Simple Elegance Shawl

### Materials Needed:

Knifty Knitter extra large loom (yellow)  
2 skeins Blush Yarn, color of choice  
Yarn needle  
Crochet hook size J or K

### INSTRUCTIONS:

1. Using one strand of each yarn, wrap the first 3 pegs and skip the next peg, wrap the next and skip the next peg. Continue until you have filled up the complete hoop.
2. Knit until you have about 50" of knitting or until you have used all of the mohair yarn. When crocheting the loops off of the loom, leave about 3 yards to crochet the loops off.
3. Make the crocheting very very loose. Add 7 in. pieces of yarn for fringe. This project uses 3 strands in each fringe group.
4. The top of the shawl is the end with the 3 beginning stitches. These stitches pull the shawl together and make it hang on the shoulders.
5. Hook together with a cord or a brooch.

### Optional Idea:

To create the look below, use the following:

- 1 skein Lion Brand Micro Spun, or color of choice
- 2 skeins Lion Brand Moonlight Mohair, or color of choice
