## Knit-Wit Santa

### Plaid Supplies:

Doodle-Loom (tool for quick & easy pompons)

Bucilla ® Knit-Wit ® Tool Kit (tool for quick & easy no-knit fashions)

### Other supplies:

Craft glue

Glue-on wiggle eyes

1/2" pink pre-made pompom

Bulky white yarn

Pink yarn

12" x 12" piece of red felt

2 cotton balls

### Instructions:

Review Doodle-Loom® package instructions before beginning this project.

1. Using the large Doodle-Loom, make 3 white pompons. Tie all 3 pompons together, secured with a tight knot, to form Santa's hair.
2. Using the medium Doodle-Loom, make 1 pink pompom. Nestle between the three white pompons, and tie or glue in place to form the face.
3. Using the small Doodle-Loom, make 3 white pompons for Santa's beard. Glue along the bottom edge of the face.
4. Glue the pre-made pink pompom just above the beard in the center of the face. Glue the eyes on either side of the nose.
5. To make the hat, cut 2 triangles of red felt, each 7" x 8½". Glue or sew the 2 pieces together along the longest sides and turn inside out. Unroll the 2 cotton balls and glue to the bottom edge of the hat.
6. Using the small Doodle-Loom ®, make 3 white pompons and glue on either side of the tip of the hat.
