LOVE Canvas

Supplies

- Canvas
- Black Bella Solid Fabric (or fabric of your choice)
- Wooden Letters to spell out "Love"
- Delta Soy Paint in Red Apple
- Two KaiserScrapbook Clear Rhinestones
- E-6000
- Paintbrush
- Stapler or Staple Gun

Directions

1. Use the paintbrush to apply paint to the front and side of all the letters.
2. Set the letters aside to dry when done.
3. Cut and measure the fabric to wrap around the canvas.
4. Use a stapler or staple gun to secure the fabric onto the canvas. Be sure to tighten any loose areas and smooth any ripples in the fabric before stapling.
5. Once the letters are dry, stick the rhinestones in the desired pattern onto each letter.
6. We are going to glue the letters using E-6000 onto the fabric-covered canvas. Be sure that you are in a well-ventilated area before proceeding to use E-6000.
7. You are going to apply glue to the back of the letter "L" and firmly press it onto the desired area of the fabric-covered canvas. Repeat this step for the rest of the letters.
8. Let your project lay flat until it is completely dry.

Proudly display in an area of your home.
