## Magnetic Necklace

*Created with  
Magnetic Hematite Beads!*

No clasp required!  
These magnetic beads bond to create their own clasp!

### Materials Needed:

- 36" of Beadalon 7 strand wire
- 31 - 3mm x 8mm silver tube beads
- 2 - 2.5mm silver crimp beads
- 64 - 4mm Austrian crystal bicone beads (color of choice)
- 2 - 1" silver head pins
- 32 - 5mm x 8mm cut tube magnetic hematite beads
- 64 small (2.5mm to 4mm) silver roundel beads
- Scissors
- Needle nose pliers

### INSTRUCTIONS:

1. On 2 head pins, string a 4mm crystal bead and a silver roundel bead. Finish with an eye loop.
2. String a crimp bead 1/2" from the end of the wire. String 1 beaded head pin on the wire and place the wires' end back into the crimp bead
3. Flatten it closed with the wire.
4. String hematite bead, a silver roundel, a 4mm crystal, a silver tube, a 4mm crystal, a silver roundel. Repeat the pattern until all the beads are used.
5. Repeat steps 2 in reverse so the necklace is symmetrical. Trim off any excess wire with scissors.
