

Create Your Own Season!®

FREE Project Idea

Mason Jar Lantern

Supplies

- Pint Mason Jar
- Adirondack Alcohol Ink
- Tim Holtz Foam Applicator
- Wire
- Acrylic Filler
- LED Tealight Candle
- Wire Cutters

Directions

1. Apply a small amount of alcohol ink to the foam applicator.
2. Use a tapping action to cover the mason jar with the ink.
3. Set aside and let dry when done.

The length and gauge (thickness) of the wire depends on the size of the mason jar and where it will be placed (i.e. on the table, outside on a tree branch).

Watch this video to learn how to wrap the wire around the mason jar.
