Monogram Canvas Art

Supplies

- Canvas
- Printed Scrapbooking Paper
- Fillet or Frame
- Wooden Letter
- Acrylic Paint
- Plaid Gallery Glass
- Mod Podge
- Foam Brush
- Scissors

Directions

1. Using the foam brush, apply paint to the sides of the canvas.
2. Set aside and let dry.
3. Once dry, apply Mod Podge to the front edge of the canvas.
4. Lay the strips of paper around the edges of the canvas in a design or color you desire.
5. Apply Mod Podge to the center middle of the canvas to adhere a 12" x 12" sheet of paper in a design or color you desire.
6. Trim the paper that will be framed by the frame (as shown in the photo above) and glue it in the middle center of the 12" x 12" paper.
7. Paint the frame in a color you desire. If you like the frame the way it is, move onto the next step.
8. Glue the frame on top of the paper to create a look as if you're framing the paper (like in the photo above).
9. Paint the letter in a color you desire. If you like the way the letter is, move onto the next step.
10. Glue the letter inside the middle center of the frame.
11. This step is optional. Use the Gallery Glass to trace the inner edge of the papered border.
