"My Room" Sign

MATERIALS

Bernat Boa (50 g / 1.75 oz)

1 ball of #81420 (Love Bird) as **A**

Bernat Eye Lash (50 g / 1.75 oz)

1 ball of #35008 (Blink) as **B** and 1 ball of #35415 (Kiss) as **C**.

Desired size of cardboard.

Adhesive Tape.

INSTRUCTIONS

1. Cut a piece of cardboard the size and shape you want your sign to be. Cut the opening as desired. Note: Cardboard can be difficult to cut. Get an adult's help to cut out your sign.

2. Cut a length of each yarn about 3 yds long. Tape the ends to the back of the sign. Holding 1 strand each of A, B and C together, wrap the yarn around the sign, going through the center opening and around the outside edge of the sign. Make sure each wrap is close against the previous one so that the cardboard is covered.

3. When your strands are used up, cut another strand of each color and fasten the ends on the back of the sign with a piece of tape. When the sign is covered, cut yarn and secure on the back with tape.
