Paper Maché Plaques

Supplies:

- Paper Maché Plaques of your choice
- Two sheets of coordinating (or matching) decorative papers
- Acrylic craft paint in coordinating color (or colors)
- Glitter, stickers or dimensional embellishments
- Ribbon
- Mod Podge
- Scissors
- Paint Brush

INSTRUCTIONS:

1. Remove the cord from plaque. Trace the outline of plaque onto decorative paper and cut it out. Do this for both sides.
2. Paint the plaque with coordinating paint and set aside to dry.
3. When paint has dried, decoupage the decorative papers to the plaque with Mod Podge and set aside to dry.
4. When Mod Podge is dry, apply the glitter, stickers or dimensional embellishments you have selected.
5. Replace the paper cord by running your decorative ribbon through the eyelets and tying a knot or pretty bow.
