Pearls – 42 Qty
E-6000 Adhesive

Round Nose Pliers
Chain Nose or Bent Nose Pliers

Directions

1. Glue Rivoli crystals into rivoli link with E-6000 adhesive. Allow to dry.
2. Create 42 pearl drops using wrapped wire technique and head pins.
3. Open 6mm jump rings. For the large pearl clusters you will be creating a 3 link chain. Slide 7 pearls onto jump ring. Close ring. Attach a second jump ring through the first and slide 4 pearls onto the ring. Close ring. Repeat process on opposite side. You should have 3 pearls on one side and 4 pearls on the second side of the new jump ring. Slide 4 pearls onto the jump ring. Close ring.
4. Open 8 mm jump rings. Slide the rivoli link onto the jump ring and the end link of the pearl cluster chain and the hammered ring. Be sure that the pearl clusters are on the front of the hammered ring. Repeat the process forming 3 rivoli links and 2 large pearl clusters.
5. Form the smaller pearl clusters with 6 pearl and the small hammered ring.
6. Attach the remaining medium hammered jump ring and small jump ring with the 8mm jump rings. Repeat on the opposite side of the bracelet.
7. Attach toggle clasp.
