Fabric-Wrapped Photo Ribbon Board

Supply List:

16" X 20" Studio Canvas

1 fat quarter of fabric

Ribbon

Brads

Tools:

Stapler

Scissors

Instructions:

1. Stretch fabric around studio canvas and staple in place on the back.
2. Start ribbon from corner to corner.
3. Find center location of the top, bottom, and sides.
4. Then stretch ribbon and tack at those locations.
5. Continue until you have all the ribbons in desired locations.
6. Push brads through middle of each ribbon where they meet.
7. Embellish as desired, using buttons or other materials.
