Beaded Wire Photo Holder

MATERIALS NEEDED

20 Gauge Colored Craft Wire, Color of Choice
26 Gauge Colored Craft Wire, Color of Choice
Assorted Beads of Choice
Coiling Gizmo (optional)
1/4" Dowel Rod or Pencil
Wire Cutters, Ruler

INSTRUCTIONS for A & B:

1. Cut one 15" piece of wire.
2. Coil one end of wire around dowel rod or pencil. Thread 3" of beads on wire.
3. Coil other end of wire around dowel rod or pencil.
4. Bend wire to a "U" shape, or leave straight. Make sure the coils are parallel to each other. This will hold your photo better.
5. Insert picture into coils and enjoy!

INSTRUCTIONS for C & D:

1. Follow instructions for coiling gizmo to make 2 coiled beads. Leave a 12" will tail on each bead.
2. Thread on 3" of beads, on one of the tails.
3. Thread the tail from the other wire bead through your beaded design.
4. Secure wires and cut off excess wire.
5. Insert picture into coils. Enjoy!
