Photo Ornament

Supplies

- Transparency
- Flat Glass Ornament DFD/809
- Ribbon Hanger

Directions

1. Begin by photo copying photographs onto transparency film. Use your photo software to reproduce in the shape needed or trip a 4x6" print down to fit inside the ornament. Leaving a notch at the top to handle the photo and maneuver the image.
2. Carefully roll the image and insert into the ornament. Moving the notch around will help the image to unroll.
3. Add Ribbon Hanger.
