Photo Transfers (Monroe Store)

Create beautiful memories by transferring your photos on almost anything!

What you'll need...

- Photo to be transferred
- Mouse Pad (used in this project).

Photos can also be transferred on fabric for quilts...

or on a T-shirt!

Bring in your picture, we will do a copy on a transfer paper and we will heat press it on the selected item. The heat press machine takes about 45 minutes to warm up, so call ahead to let us know when you're coming!
