Redneck Wine Glass

Supplies

- Mason Jar
- Crystal Candlestick Holder
- E-6000

Directions

E-6000 is a very strong adhesive so before you begin, be sure you are in a well ventilated area.

1. Turn the mason jar over (lid side down).
2. Apply E-6000 to the top of the candlestick holder and firmly adhere it to the bottom center of the mason jar.
3. Set aside and let dry before using.

You can glue embellishments to the glass to give it a personal touch.

Hand wash only.
