## Retro Tie Belt

**Skill Level:** Easy

**SIZE:** One size

### MATERIALS

1 ball Lion Suede Yarn  
1 spool of jewelry wire  
Assortment of seed (small) beads in a color that coordinates with the yarn.

### GAUGE:

Gauge is not important for this project.

### Belt:

1. With a strand of yarn, measure comfortably around your waist and add 32 inches. Cut.

2. Cut two lengths of wire the same length as the yarn.

3. Knot the jewelry wire at one end, and completely fill it with the seed beads, closing the other end with a knot

4. Repeat with other strand of wire (you can use more than 2 strands for a more sparkly look)

5. Cut 10 lengths of the Suede yarn (add more for a fuller belt)

6. Knot on the side and enjoy!
