## Ribbon Watch

### Materials Needed

Watch Face

Approx. 9 in. of 1-1/2 in. ribbon (width and style of your choice)

Note: Length of ribbon may vary due to wrist size.

1- toggle clasp set

2- ribbon clasps

2- 6mm split rings

Needle nose pliers

### INSTRUCTION:

1. Measure wrist. Subtract one inch from length (this will allow room for the clasp and toggle). Cut ribbon this length.

2. Thread ribbon through the watch face.

3. Fold ends of ribbon and attach a ribbon clasp to each end.

4. Attach a split ring to each ribbon clasp.

5. Attach one side of the toggle clasp to each of the ribbon clasps.

6. Wear, enjoy, and dazzle all your friends.
