Snowman

Materials Needed

1 - 4" Styrofoam ball
1 - 2" Styrofoam ball
1 carrot nose
Assorted beads + buttons
Tub of Decorative Snow
Knit hat, scarf, gloves
Tacky glue
Toothpick
Piece of string
Straight pins

INSTRUCTIONS:

1. Smash large ball on a hard surface to make one side flat so snowman will stand.
2. Coat large and small ball with snow. Insert toothpick in small ball and then fix to large ball. Apply eyes, nose, buttons and stick arms while snow is still wet. Put hat while snow is still wet. Anchor with straight pins.
3. Let dry completely. Tie on scarf and mittens.
