## Spinner Card

Using Sugarloaf See D's clear stamps

### MATERIALS

See D's - Clear Stamping System - Bee My friend  
See D's - Clear Stamping System - Distressed Alphabet  
See D's - Clear Stamping System - SeeClear Block 4" x 5.25"

### Additional Items

Tsukineko VersaMark Ink Pad  
Cardstock  
Chalk  
Circle Cutter  
Clear Thread  
Cotton Balls

### INSTRUCTIONS:

**Step 1:** Create a 5x7 card from light yellow cardstock. Using a circle cutter, cut a large circle from card. Cut another piece of cardstock into almost 5x7. Cut a large circle from this piece. (This piece will be on the inside of the card to cover the string and adhesive.)

**Step 2:** Cut two smaller circles from cardstock. Stamp on both of these circles. Apply chalk over stamped images.

**Step 3:** Add chalk to the front of the card in a circular motion using cotton balls.

**Step 4:** Adhere clear thread to the back of one circle. Adhere to the other circle. Adhere to the inside of the card, making sure thread is tight. Add extra piece of cardstock over the adhesive and thread.

**Step 5:** Stamp 'Thanks' to cardstock. Add chalk as shown. Adhere to card.

**Step 6:** To create {Spinning} turn flowers around and around many times. When the card is opened, the flowers will spin!
