Stamping with Gold Leaf Flakes

designed by Kim Stierli

It will be easy for you to have fun making beautiful cards, tags, invitations and much more with this easy technique using a stamp of your choice, Duo Embellishing Adhesive, Gold Leaf Flakes and a Texture Sponge.

Here's a Shopping List for What You'll Need:

				
Stamp (of your choice)	Gold Leaf Flakes	Cardstock Paper (of your choice)	Duo Embellishing Adhesive	Texture Sponge

Here's how to create this gorgeous image on your projects:

1. Pour yourself a small amount of Duo Embellishing Adhesive. Brush on your stamp a thin layer of glue using a sponge brush.
2. Stamp the image created by the glue on the paper of your choice.
3. Rub on the stamped image the gold leaf flakes until the image is completely covered. Remove excess of flakes using a texture sponge.
