### DIRECTIONS:

#### Green Swirl Stocking:

1. Cut out stocking pieces from green fabric and lay out on a flat protected surface.
2. Pour a small amount of Metallic 14K Gold Gleams onto a paper plate.
3. Pick up some of the paint with a wedge sponge and apply to swirl stamp in a patting motion. Stamp image onto green fabric.
4. Reapply paint and continue stamping both the swirl and accent swirl onto the green fabric until you are satisfied with your design. Let dry.
5. Sew stocking as per instructions adding trims if desired.

#### Red Scroll Stocking

1. Cut out stocking pieces from red fabric and lay out on a flat protected surface.
2. Pour a small amount of Metallic 14K Gold Gleams onto a paper plate.
3. Lay the scroll stencil on the front of the stocking piece. Use stencil adhesive if desired.
4. Pick up a small amount of gold paint with a wedge sponge and apply over stencil in a patting motion. Do not move the stencil around while stenciling.
5. Lift stencil and move it to another spot until the entire piece of fabric is covered with a continuous pattern. Let dry.
6. Sew stocking as per instructions adding trims if desired.
