Bracelet for Mom

Materials Needed:

4mm Cube Crystal AB Swarovski Crystals (Approx. 14)

4mm Cube Birthstone Colored Swarovski Crystals
- Birthstones for mom, kids or grandkids - quantity will vary depending on how many you want to put in.

26-28 4x4mm Squaredell - Crystal

14" Beadalon 49 strand Bright Silver Wire

2 - 2 x 2 Silver Crimp Tubes

2 Crimp Bead Covers

1 Lobster Clasp

1 Jump Ring

Crimp Tool

NOTE: The model was 7" long and included 3 different birthstones. This version required 5 ea. of the 3 birthstones and 14 Crystal 4mm cubes, 28 4x4mm Squaredells. The pattern may require adjustments depending on the number of birthstones chosen and the desired length of the bracelet. It is recommended that you use a bead board to design prior to beginning.

INSTRUCTIONS:

1. Attach clasp by stringing wire through the crimp bead and the clasp and then back through the crimp. Crimp the Bead. Add Bead Cover.
2. Begin stringing with 1 crystal AB cube, 1 squaredell, 1 birthstone color cube, 1 squaredell, the next birthstone cube, a squaredell and so on until you have all the birthstone colors strung. See picture.
3. Then add a crystal AB cube, 1 squaredell. Repeat once.
4. Repeat #2 and #3 until you have reached desired length.
5. String Wire through crimp bead, through the jump ring and back through the crimp. Crimp and add Bead Cover.
