Tile Wall Art

We will show you how to create wall art using this ready-to-decorate framed tile for your home.

Supplies

- Framed Tile
- Acetate Paper (or photos of your choice)
- "Live, Laugh, Love" Vinyl Words (or any vinyl words of your choice)
- Claudine Helmouth Studio Multi-Medium in Matte
- Paintbrush
- Scissors

Directions

1. Cut the acetate paper to fit the size of three of the tiles on the frame. Another idea for this project is to use photos instead of acetate paper.
2. Use the paintbrush to apply the multi-medium to the back of the acetate square.
3. Adhere the acetate paper to the tile, smoothing out any pockets of air.
4. Apply vinyl words to the blank tile. You can use vinyl words of your choice. We used "Live, Laugh, Love."

Proudly display in an area of your home.
