## Twisted Foil Pendant

### Materials Needed:

Foil Pendant of your choice  
2 - 36" strands of silk string/cotton cord of your choice of fiber

### INSTRUCTIONS

1. Begin by choosing your favorite color and shape Foil Pendant
2. Choose your string colors.
3. Next is the tricky but not difficult part. Tie the two strings together and knot. Next twist each string clockwise. Now wrap the two strings together counter-clockwise (in the opposite direction). The ends will begin to curl together.
4. When you reach the end, hold secure, slide the Foil Pendant, tie a knot and you are finished!
