### Supplies

1—12"x12" Silver Glitter Paper

1—8.5"x11" Red Glitter Paper

1—12"x12" Blue Dot Paper

Adhesive

Paper Trimmer

Die Cut Machine

3—5"x7" Frames

### Directions

Note: We used the die cut machines available in our Scrapbook department. They measure approximately 4" tall. If you have a personal die-cutting machine you can use, be sure to cut your letters no larger than 3.5"x5.5" so that they fit in the frames.

1. Die-cut a U, S and A out of the red glitter paper.
2. Trim the silver paper into three, 5"x7" pieces.
3. Trim the blue dot paper into three, 4"x6" pieces
4. Center and adhere each blue dot 4"x6" sheet to each silver 5"x7" piece.
5. Glue each red letter to the center of each blue dot 4"x6" paper.
6. Let dry completely.
7. Place one frame face-down and remove backing. Clean glass if needed and place one completed letter card into frame. Replace backing. Repeat for each remaining frame.
8. Enjoy!
