## Welcome to Camp Visor

*design and instructions by Traci Armbrust*

When each camper first arrives, make him or her feel welcome right off the bat with a brightly colored visor that says, "You're one of the gang!" With AccuCut's visor die, you can crank these visors out fast...and make as many as you need in good time.

### Accu-Cut Materials found in our Scrapbooking Dept.

MARK IV

Roller Die Cutting Machine

(Free with use of Ben Franklin products)

AccuCut® Dies Used:

Insects-Mini

Visor #1

Birds & Bugs-Mini

Camping-Mini

Tools Needed:

Xyron Adhesive Cleaner-10 Pack

Elastic Straps

Other Materials Used:

Black Thin Tipped Marker

Assorted Colors of Cardstock

### Tips:

1. If a computer is not available, hand write the camp or cabin name. 2. If you don't have Xyron® adhesive, use plain non-toxic glue.

### INSTRUCTIONS:

1. Print name of camp or cabin with computer and printer onto multiple colors of cardstock.
2. Line up cardstock with words on visor die. Cut out visors.
3. Let children pick out mini shapes to decorate their visors.
4. Use a thin black marker to accent visor and shapes.
5. Place metal ends of elastic strap through holes in visor.
