## Wood Bangle Bracelet

### Supply List:

Wooden Bangle  
Rub Ons of your choice  
Ceramcoat Paint - to match your rub on  
DecoArt Triple Thick Gloss Varnish  
Embellishments - flat backed  
GS Hypo Cement  
Foam Paint Brush

### Instructions:

Using a foam paint brush, paint your bangle at least 2 coats. Let it dry completely between coats. Place your rub on where desired. Rub your rub on completely to your bangle. Add embellishments with GS Hypo Cement. Let dry. Finish your bangle with a top coat of varnish. You can put as many coats of varnish on as you like... just make sure to let it dry completely between coats.

### Alternate 1: Stained with Rub On
