Framed Initial

Materials Needed:

Funky wooden letter
Unfinished wooden frame with a minimum of 5 x 7 opening
Patterned cardstock - size of frame opening
Strong double-stick tape - such as Art Accentz Terrifically Tacky Tape
Delta Ceramcoat acrylic paint
Paint brush
Scissors

INSTRUCTIONS

1. Remove glass front and wooden back from unfinished wooden frame.
2. Paint front of frame in a color that coordinates with the pattern on the cardstock.
3. While paint is drying, attach patterned cardstock to front of frame back. Use very sticky double-stick tape in corners of cardstock and on outside edges to attach paper.
4. Place double-stick tape on back of Funky Letter and attach to center of frame back.
5. When paint on front of frame is dry, re-attach frame back to frame front without the front glass.
