## Exotic Wooden Pendant Necklace

### Supply List:

16" Amethyst Rondelle strand  
4mm Crystal bicone in Jet strand  
16" Antiqued Gold 4mm Pearl strand  
2 Wooden Laser links  
10 Copper Butterflies  
4 Vintage Bead Caps  
2 Rainbow Black Agates  
4 - 2" Head Pins  
String Wire  
Beyond Beautiful magnetic clasp  
Wooden laser pendant

### Instructions:

1. Apply clasp as shown on reverse. String beads, alternating between: amethyst, pearl and bicone as desired to your first link. Add crimp and trim wire. [CRIMPING INSTRUCTIONS FOUND HERE.](#)

2. Repeat step 1 for other side of necklace adding the other end of the clasp.

3. On other side of link add your crimp bead then: 4 beads, a bicone, 4 beads, a crimp bead, go through your pendant, add a crimp bead, 4 beads, a bicone, 4 beads, crimp bead, back through your link and through the crimp bead.

4. Crimp both beads on your link sides.

5. Repeat steps 3 and 4 for the other side.

6. Cut a shorter length of bead wire and crimp to the clasp as shown [HERE](#). String the remaining beads and add your copper butterflies.

Finish by crimping the other end to the clasp.
