FREE Project Idea

YoYo Christmas Tree

Supplies

- Fabric roll or 7 Strips 5"x 45"
- Glass Candlestick 4" tall
- 9" Styrofoam Cone or Paper Maché Cone
- Clover Yoyo Maker, large
- Pearlized Head Straight Pins
- E-6000 Glue
- Hold the Foam Glue
- White Cardstock

Directions

1. Make 56 yoyos per instructions of large (1 3/4") Clover Yoyo Maker. Or make by hand: trace a 4" circle on the wrong side of your fabric, cut out. Fold under a scant 1/4" along the edge and stitch close to the fold with a strong thread. Once you've stitched around the edge, gently pull the thread to gather the fabric and secure.
2. Pin yoyos in rows around the cone. Start at the bottom and work your way up, overlap each yoyo slightly to hide the cone underneath. We used three pins for each yoyo.
3. Cut cardstock in a circle to match the base of the cone and glue to bottom of cone using Hold the Foam glue or E-6000 glue.
4. Glue cone to candle stick using E-6000 glue.
5. Let set over night to dry.
