Anemone Necklace

Materials

1 Skein Starbella Yarn
Crochet Hook, size L

Finished Measurements:

the longest layer is 26"

Directions

*This pattern is copyright Premier Yarns.
By Mary Catherine Black.*

Using a size L crochet hook, *chain 18 sts while using Starbella Yarn as a tape yarn. Chain 4 more sts, opening up the netting and chain into the top loop, skipping 3 loops between each stitch. Repeat from * until there is about 2 yards of Stabella Yarn left.

You now have a very long rope. Starting with the end you are working with, wrap the rope around so that you have about 5 strands of the necklace. If you want your necklace longer, wrap it less times, if you want is shorter, wrap it more. Using the remainder of the yarn, work 10 single crochet around all the strands of the rope to hold it in place. Tuck the ends under the single crochet.
