Easter Wooden Egg Candlesticks

Supplies

- 3 Wood Candlestick Holders
- 3 Wood Easter Eggs
- Acrylic Paint of Your Choice
- Assorted Fine, Medium and Large Tip Paint Brushes
- 527 Multi Use Glue

Directions

Start by painting the solid wooden egg in whatever background color you choose. Next paint the candlestick holder that will go with the egg in your color choice. After the paint is dry add the details in your own style and colors. Allow them both to dry. Repeat this process until your pieces are all painted.

Finally, glue the base and the eggs together with 527 glue and allow to dry completely.

Remember, there is no wrong way to design these! This is a perfect project to allow your creativity to shine.
