Grapevine Snake Wreath

Supplies

- Grapevine Wreath
- Small Rubber Snake
- Spray Paint
- Glitter Spray
- Hot Glue Gun
- Ribbon
- Scissors

Directions

There are two ways you can do this:

The first way is to lay the wreath onto newspaper or a drop cloth and spray paint the wreath. Then, lay the snakes onto a separate newspaper or drop cloth, spray paint them and spray glitter over the top.

The second way is to loop the snakes throughout the wreath, hot gluing them into areas if necessary. Laying the snake covered wreath onto newspaper or a drop cloth, then spray painting it. Spraying glitter is optional.

After the wreath is done, you can display the wreath as it is, or add ribbon with a bow to the top.

When done, it's ready to display!
